DEDICATION

Each year for twelve years the members of the AKLAN have had the privilege of dedicating their permanent record of the year's work to an outstanding member of the Acalanes staff.

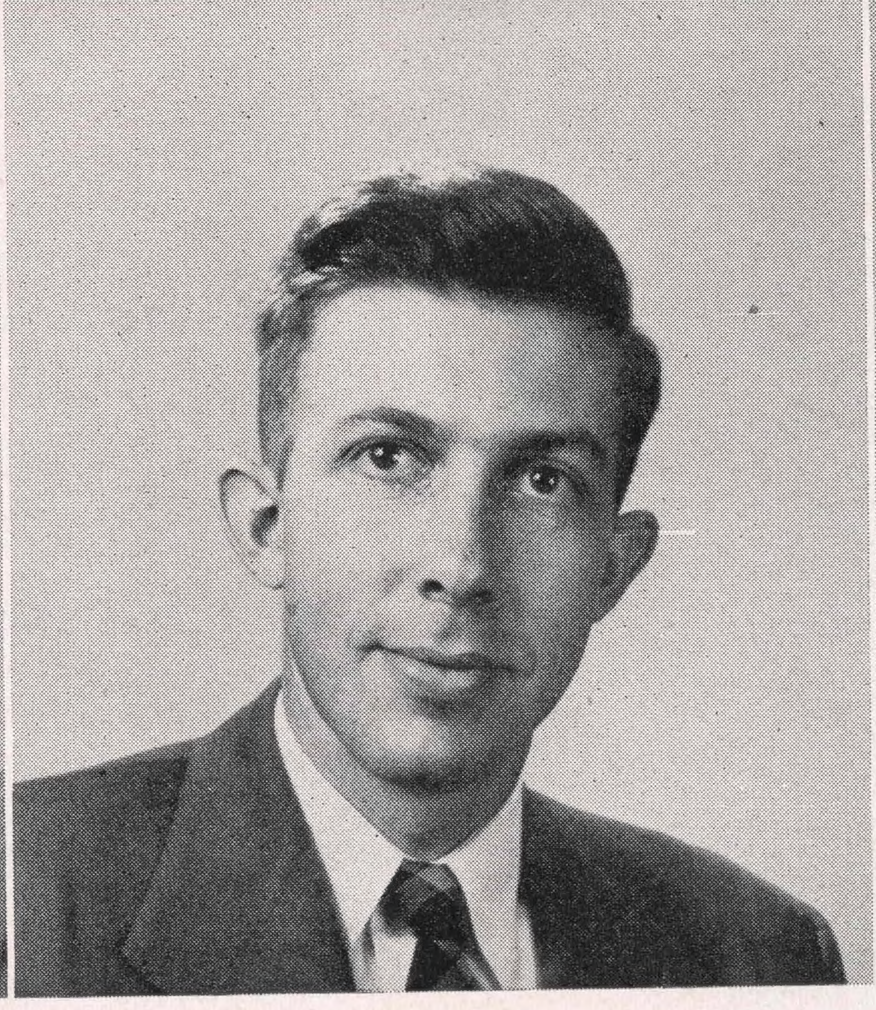

Many elements are taken into consideration. Among these are relations with students, service to the school above and beyond that expected of the job, number of years of service.

By all criteria this year's dedicatee was a natural choice. For ten years students have appreciated his high standards of achievement, his ideals of conduct and his organizational abilities. Nine years of of varsity or J.V. fooball, seven years of "A" or "B" basketball, one year of "A" and "B" swimming, and ten years of "A" track have known his expert coaching. The 1949 J.V. football, the 1945 "A" basketball, the 1948 "B" basketball, and the 1944, 1948, 1950, 1951, and 1952 "A" track teams were led to championships.

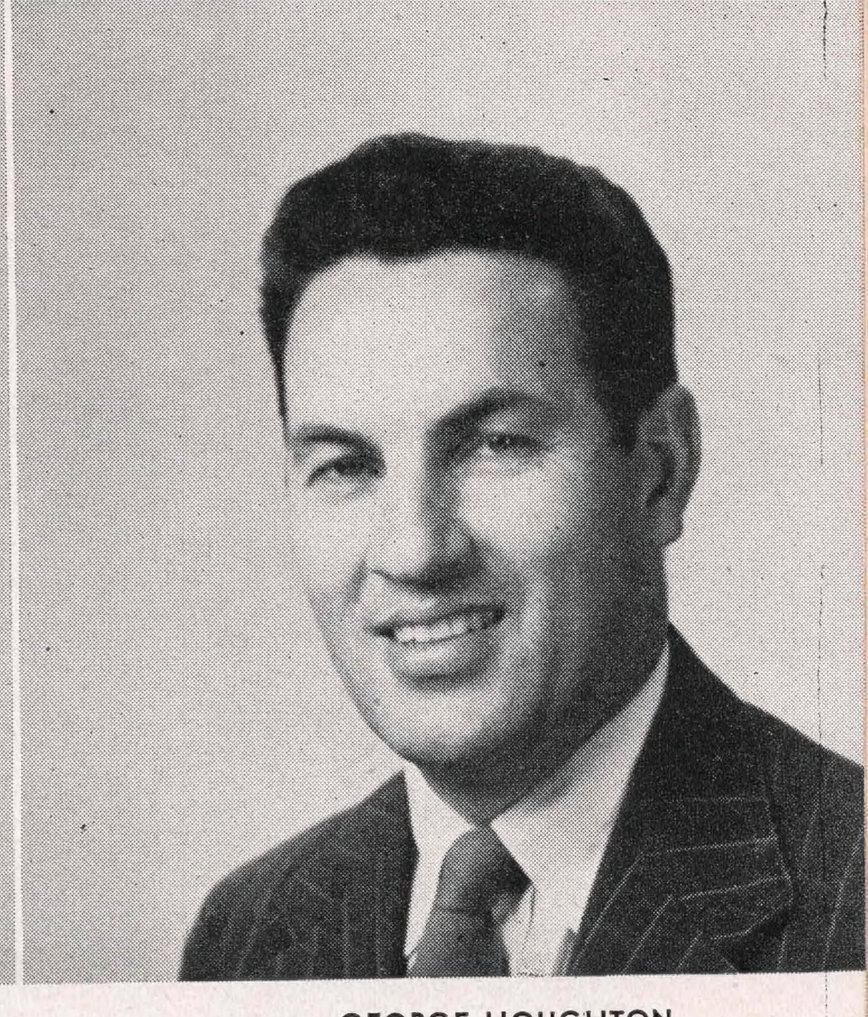

But whether a boy made a team or not, no boy has left Acalanes without feeling the inspiration of fine sportsmanship and the personal interest of Charles L. Eaton.

ADMINISTRATION

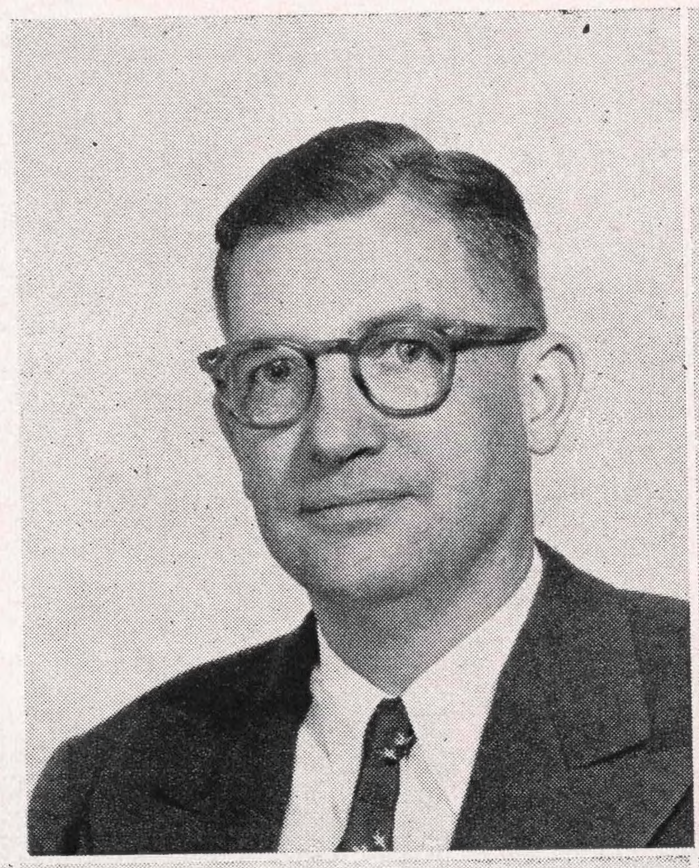

This year Acalanes has a new principal, Stanley Walgren. The past principal and district superintendent, Neil Parsons, now concentrates solely on his duties as district superintendent. With the ever-increasing enrollment, new instructional classes have been created in order to fulfill better the needs of the students.

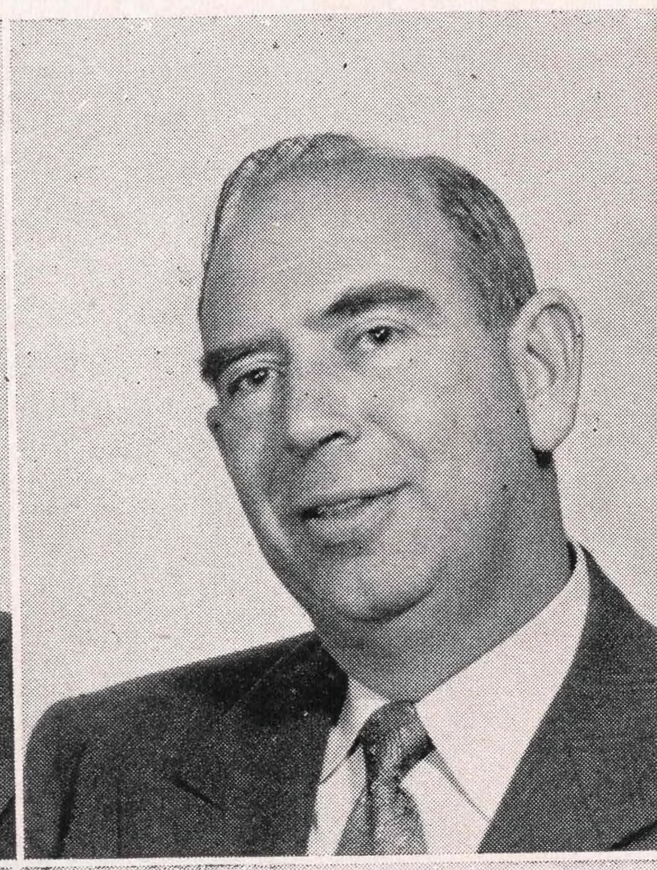

An important group which very capably serves Acalanes is the Board of Trustees. The members are professional and business men who generously give up their time to help make Acalanes an even better school.

PRINCIPAL'S MESSAGE

STANLEY WALGREN
Principal

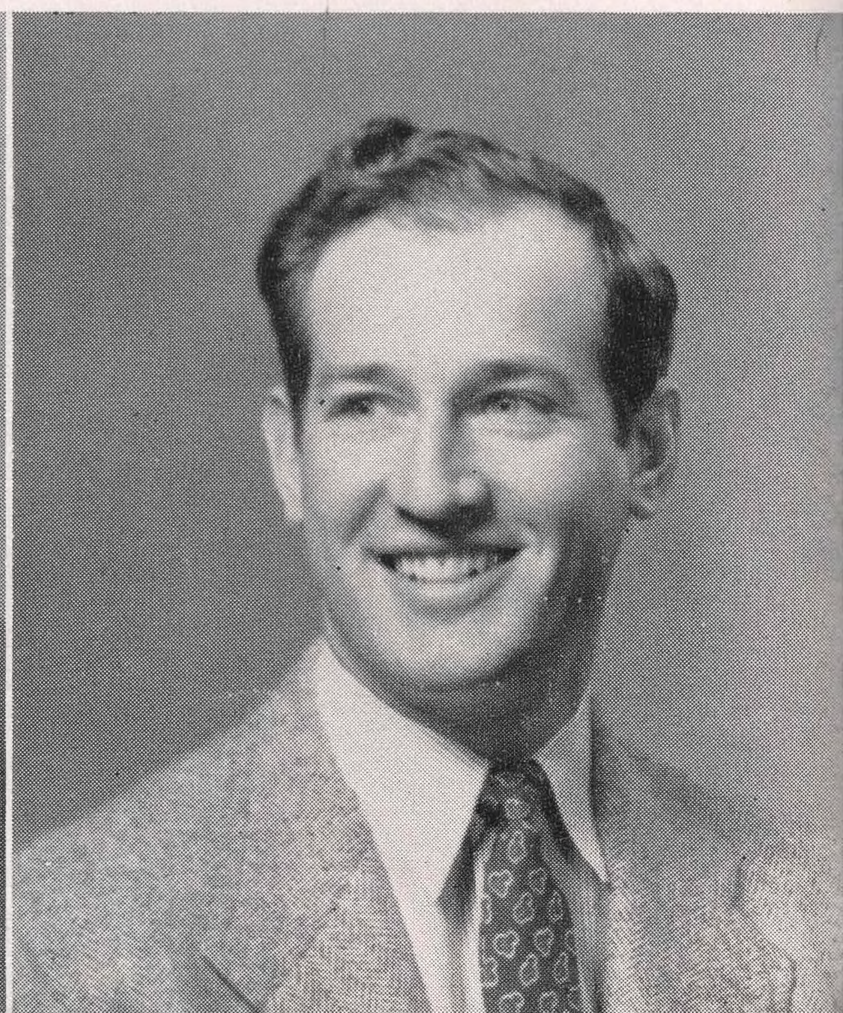

We are now completing the twelfth year of our existence. During these twelve years the students at Acalanes have set high standards in many fields of endeavor. Good academic achievement, fine sportsmanship and an acceptance of the responsibilities of citizenship have been attributes common to all Dons and Donnas. These qualities have become an integral part of our school—contributing to its growth and development. From a small, young "upstart," Acalanes has grown into an excellent school now widely known and acclaimed. Acalanes has earned this enviable reputation through the efforts of a hard-working student body and faculty.

Now our twelfth class is about to leave us, leaving behind it a fine record for future classes to emulate. We who are still here, and those who have already gone on to greater things, wish the members of the class of 1952 all success in their future activities. We are confident they will uphold our highest traditions and ideals through life.

GUIDANCE

Guidance is a very important factor at Acalanes, and each student is the definite responsibility of a counselor. These counselors help their students in facing and solving various problems during high school life.

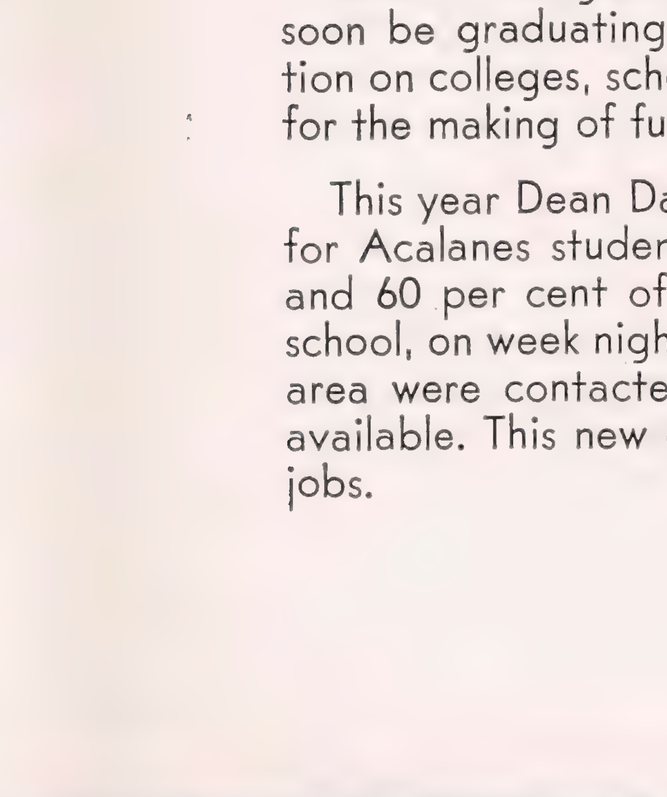

Under the direction of William Ross, the staff carries out its plan of aiding students with high school problems and preparing them for future work. Aptitude, achievement, and I.Q. tests are given in order to find and develop abilities. A personal interest is taken in each student and periodically he is called to the counseling office for a conference with his own counselor.

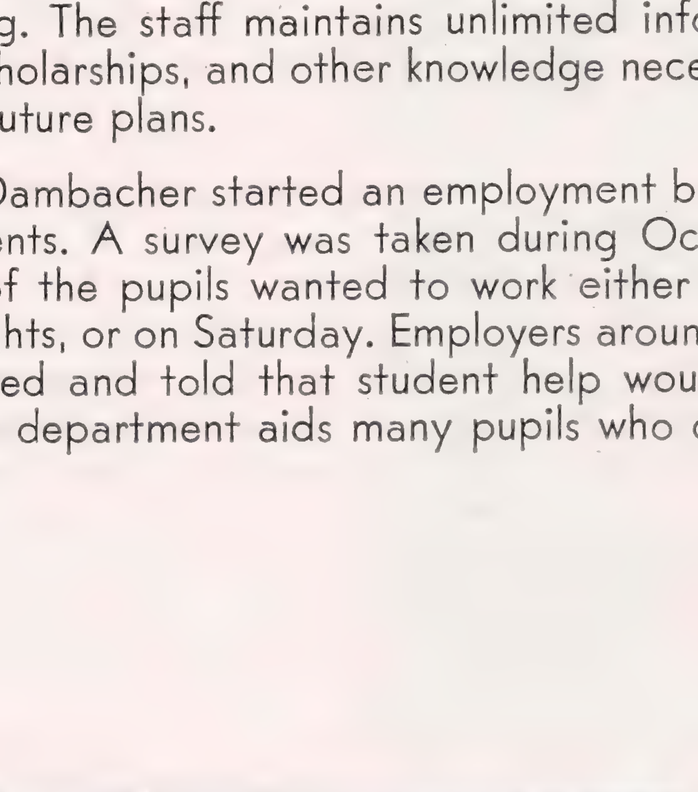

Seniors are given particular attention because they will soon be graduating. The staff maintains unlimited information on colleges, scholarships, and other knowledge necessary for the making of future plans.

This year Dean Dambacher started an employment bureau for Acalanes students. A survey was taken during October and 60 per cent of the pupils wanted to work either after school, on week nights, or on Saturday. Employers around the area were contacted and told that student help would be available. This new department aids many pupils who desire jobs.

NON-CERTIFICATED STAFF

Without this very important group, Acalanes would not be the smooth operating and well-kept school that it is. The office force expedites internal matters and assists faculty and students with many problems; while the maintenance men and custodians keep the school plant repaired and neat. The gardeners not only keep our campus beautiful, but are always ready to help with decorations for dances and banquets. The transportation people get us here efficiently and safely. Every day the cooking staff works hard to feed the hungry students and faculty.

BOYS' FEDERATION

The 522 enrolled boys of Acalanes comprise Boys' Federation. The purpose of the organization is to better relations among all boys at Acalanes High. The highlights of this season's activities were the annual Fathers' and Sons' banquet and the Faculty vs. Students track meet. At the banquet, the movies of the County Track Meet were shown; these movies were produced under the sponsorship of the Boys' Federation.

CITIZENSHIP COMMITTEE

The Citizenship Committee, composed of six members, acts as judge and jury to all Acalanes students. This group consists of elected class representatives—one sophomore, two juniors, two seniors, and the student body president.

William Ross advises at the meetings which are held once a week in the school library. The committee's job is to pass on all recommendations for citizenship points.

If a student is dissatisfied with his points, he may ask for a hearing by the group at any time. Also, the Citizenship Committee has the power to request a student's appearance.

Anyone reaching the goal of 120 citizenship points is given an award. This entitles him to free admission to all home student events for the next semester.

GIRLS' LEAGUE

GIRLS' LEAGUE OFFICERS
FIRST ROW, left to right: B. Pendleton, K. Mickle, J. Rounds. SECOND ROW: Lily Lahti, advisor; J. Neuman, A. Seulberger, M. Derry, C. Monroe.

Every girl, as soon as she enters Acalanes, automatically becomes a member of Girls' League. The ideal of the group is to sponsor good relationships and better understanding among all the girls. Each year, under the direction of Miss Lily Lahti, dean of girls, this organization sponsors two big projects.

The first of these is a money-raising plan. During the fall semester, magazine subscriptions are sold. The drive provides money for the annual Mothers' Tea.

This important event is held in May and is presented under the leadership of the Girls' League Cabinet. Included in the program are the modern dance pantomimes, worked out by the dance group, and a fashion show. Each girl who has taken sewing during the past year is given a chance to model her clothes.

RALLY COMMITTEE

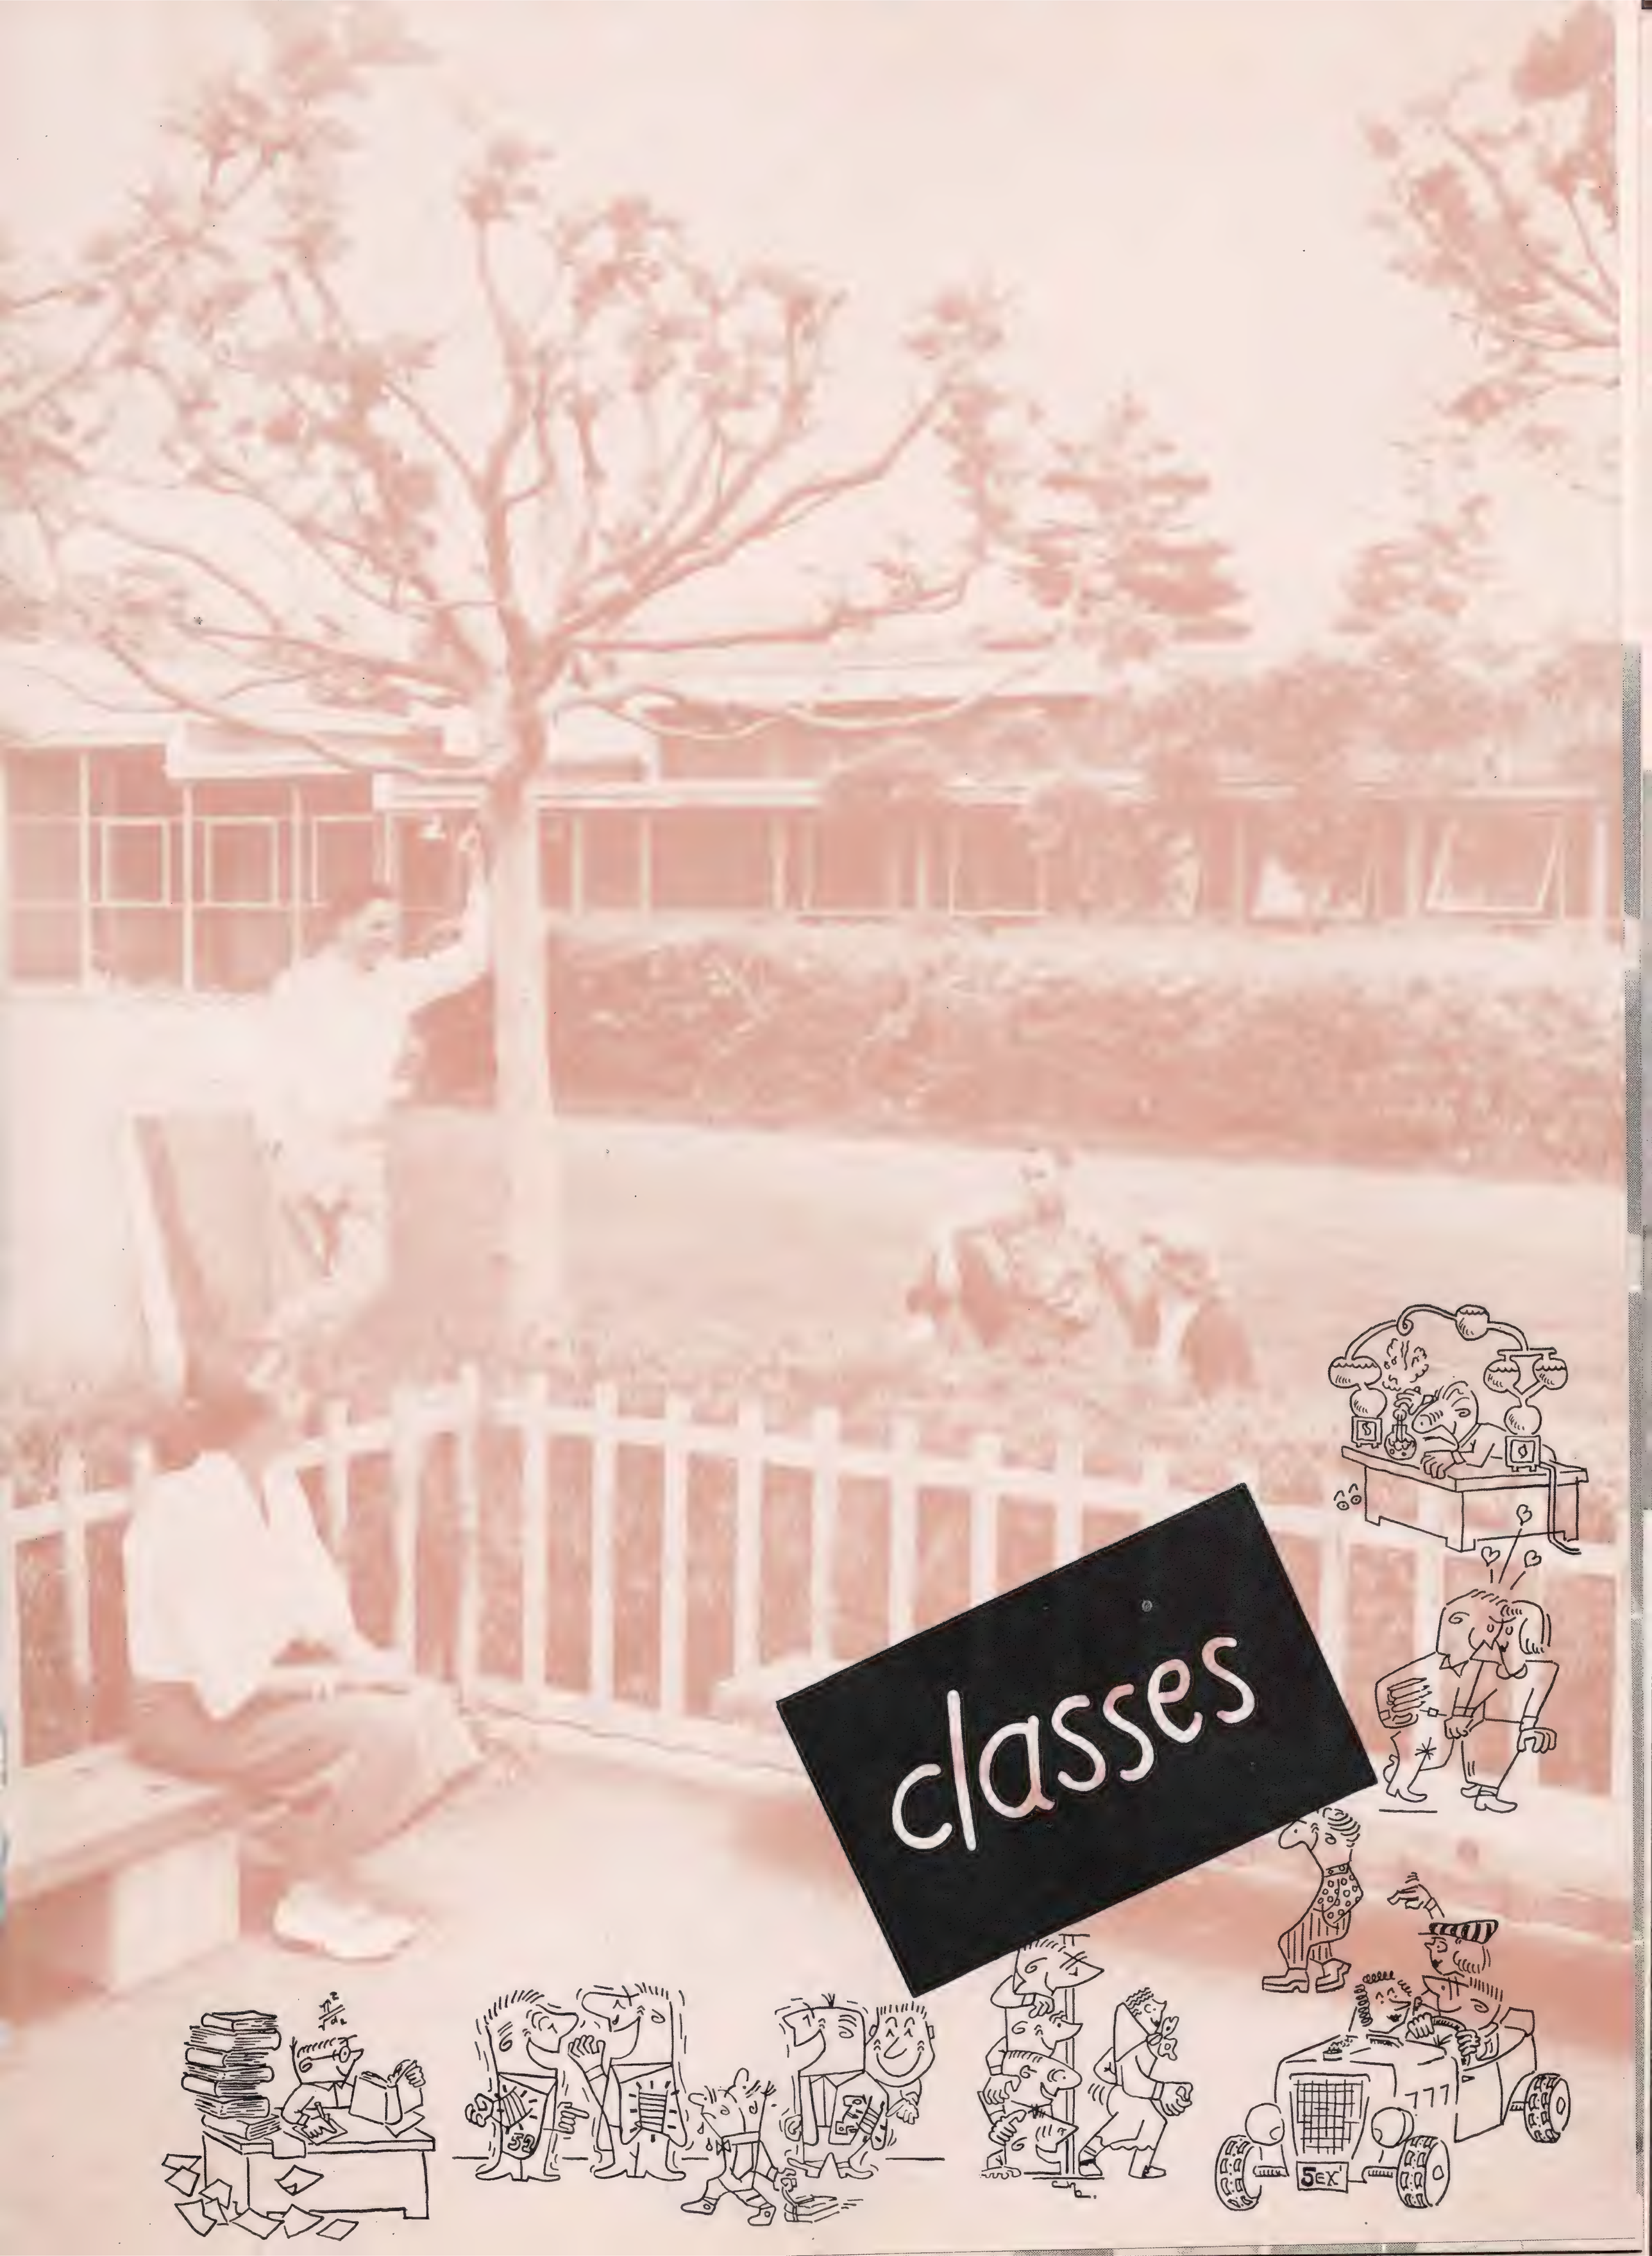

As our school grows, the Rally Committee becomes more and more important. It is a service group which promotes Acalanes' spirit through athletic events. All pre-game rallies are handled by the Rally Committee. The skits are written and acted out by the members. Under the direction of Dean Dambacher and President Walt Williams, the group also takes care of advertising for games and of the organization of rooting sections.

All graduating seniors in the committee elect the next year's members. Only sophomores and juniors are eligible to be voted upon. Selection is made from a sign-up sheet that is passed around in classes. Student body officers automatically become ex-officio members of Rally Committee.

SENIORS . . .

The 245 seniors that comprised the class of '52 may well be proud of their school record, for they had one of the highest scholastic records in Acalanes history. Twenty seniors earned life-time membership in the California Scholarship Federation. In national competition, three graduates received scholarships to Harvard University and one to Wellesley College.

Hard work and enthusiasm were the outstanding characteristics of this year's junior class, and this combination resulted in several highly successful social events. "Sea of Enchantment," the Junior Prom, transported a gym full of students to the scene of a sunken treasure ship for a very gala evening. The Extra, "Houten-Klompen," was also an exciting affair, as was the Junior-Senior Banquet, set in beautiful Paris.

Also very active in sports, the Juniors won the inter-class swim meet, and already have the experience to strengthen next year's teams.

The largest group of sophomores in the history of Acalanes, the class of 1954, was fully as impressive in its activities as in its numbers. The annual Sophomore Hop, "Spring Fever," was given in March, with decorations that captured the mood of the season. The sophomores participated in many inter-school sports, and contributed widely to the Dance Group, Audio-Visual, Stage Crew, Aklan, Blueprint, Band, and Choruses. Next year will find this same fine group in the upperclassmen bracket, continuing a high record of school spirit and coöperation.

Even though this year's freshman class was smaller than usual, the students showed terrific enthusiasm in all their activities. "Storybook Frolic," their annual dance, was one of the best in recent years. The freshmen showed their fine spirit again by winning the P.-T.A. membership drive.

In the field of sports they produced several all-county boys as well as being able to boast three top girl swimmers, including the Senior Women's National 200-yard backstroke champion, who recently set a new national record in her event.

C. S. F.

Under the capable direction of Miss Vera Richardson and President Sven Groennings, this year's members of the Acalanes Chapter of the California Scholarship Federation have enjoyed many activities. The first of these was the "Pogo Hop," a very successful dance. Several Acalanes members attended a C.S.F. Convention at the Hearst Ranch, consisting of vocational panels and recreation. Mitchell's Canyon was decided upon for the picnic, the climax of the year's events.

Members of C.S.F. are those students who have received three A's and one B semester grades. Being on C.S.F. for six out of eight semesters makes one a life member, and these Gold Seal Bearers are designated on the commencement program.

ACALHONORS

Acalhonors is one of two honor societies at Acalanes. This group and the Acalanes Chapter of the C.S.F. were organized at the same time. Like C.S.F., Acalhonors is maintained for students having a superior scholastic record. Membership is extended to all students receiving three B's and one A for their semester grades. Students who qualify for C.S.F. membership automatically qualify for Acalhonors. Miss Vera Richardson is the adviser for the group.

The Acalanes Varsity this year completed one of its most successful seasons, losing only two contests, one a 12-14 heartbreaker at the hands of John Swett. The only other loss was a 38-0 trouncing by a slightly terrific Pittsburg eleven, which easily walked away with the league title.

Among the most outstanding victories of the year was our 20-7 win over highly-touted El Cerrito and a 13-0 victory over our arch rivals from Diablo.

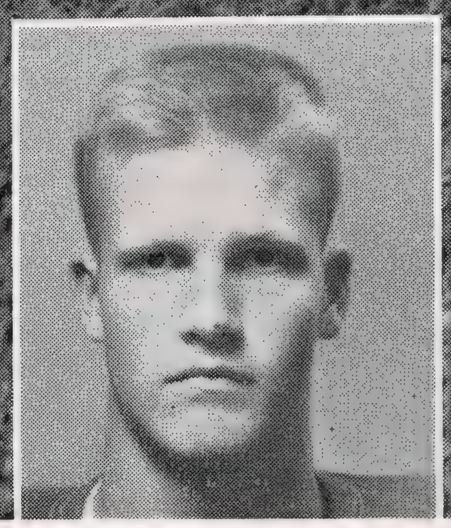

As with any successful team, it is teamwork and not individuals that make a good record. There were, however, some standouts such as Richard Ting, who made every all-county team picked; Buzz Williams, winner of the Ted Fry Memorial Trophy and picked on almost all of the all-county teams; Eric Murray, winner of the Rotary Club award and second-string all-county. John Daniel, Charles Ostrom, Bob Borghesani, Al Culp, Ed Greub and Dick Fey were all standouts.

Although the Dons are losing most of their lettermen, they have many outstanding juniors coming up, Ray Williamson and Andy Monson in particular.

1952 TRACK

Coach Charles Eaton fielded this year a team second to none in Acalanes history. The squad was well rounded, having great depth in both the field and running events and also good spirit and teamwork through the whole season. These qualities paid off when the team took a close second at the Martinez Relays and won the county meet with a record number of points.

The squad was paced all through the year by hurdlers Gary Coad and Doug Cooper, weightmen Eric Murray and Art Siler, quarter-miler Bob Carlson, half-miler Denton Holmes, and milers Louis Kummerow and Ron Benson. Vaulter Neil Caldwell broke the school record with a vault of 12 feet 6 inches, Bill Powers and Bruce Morgan each high jumped 6 feet to break Bill's old school record.

With another good day those who placed in the county meet won the North Coast Section at Diablo. From there Doug Cooper, Neil Caldwell, Eric Murray, Art Siler, Gary Coad took places at the North Coast Meet, the first two qualifying for the State Meet at Los Angeles.

There were a large number of seniors on this year's squad, and they leave many vacancies to be filled next year.

BASEBALL

The varsity baseball nine had a successful practice season and were off to a flying start in league play when they won five straight.

The league play was the best in a decade and the Dons appeared slated for either first or second depending on the outcome of the final games.

Bob Borghesani was a standout as a pitcher and led the league in hitting while Dick Fey was rated as the best second baseman in the league.

The Junior Varsity was the best in the history of Acalanes and had standout pitchers in Rick Johnson and John Olcott.

Many fine players on the J.V. club give good promise for the future of baseball at Acalanes.

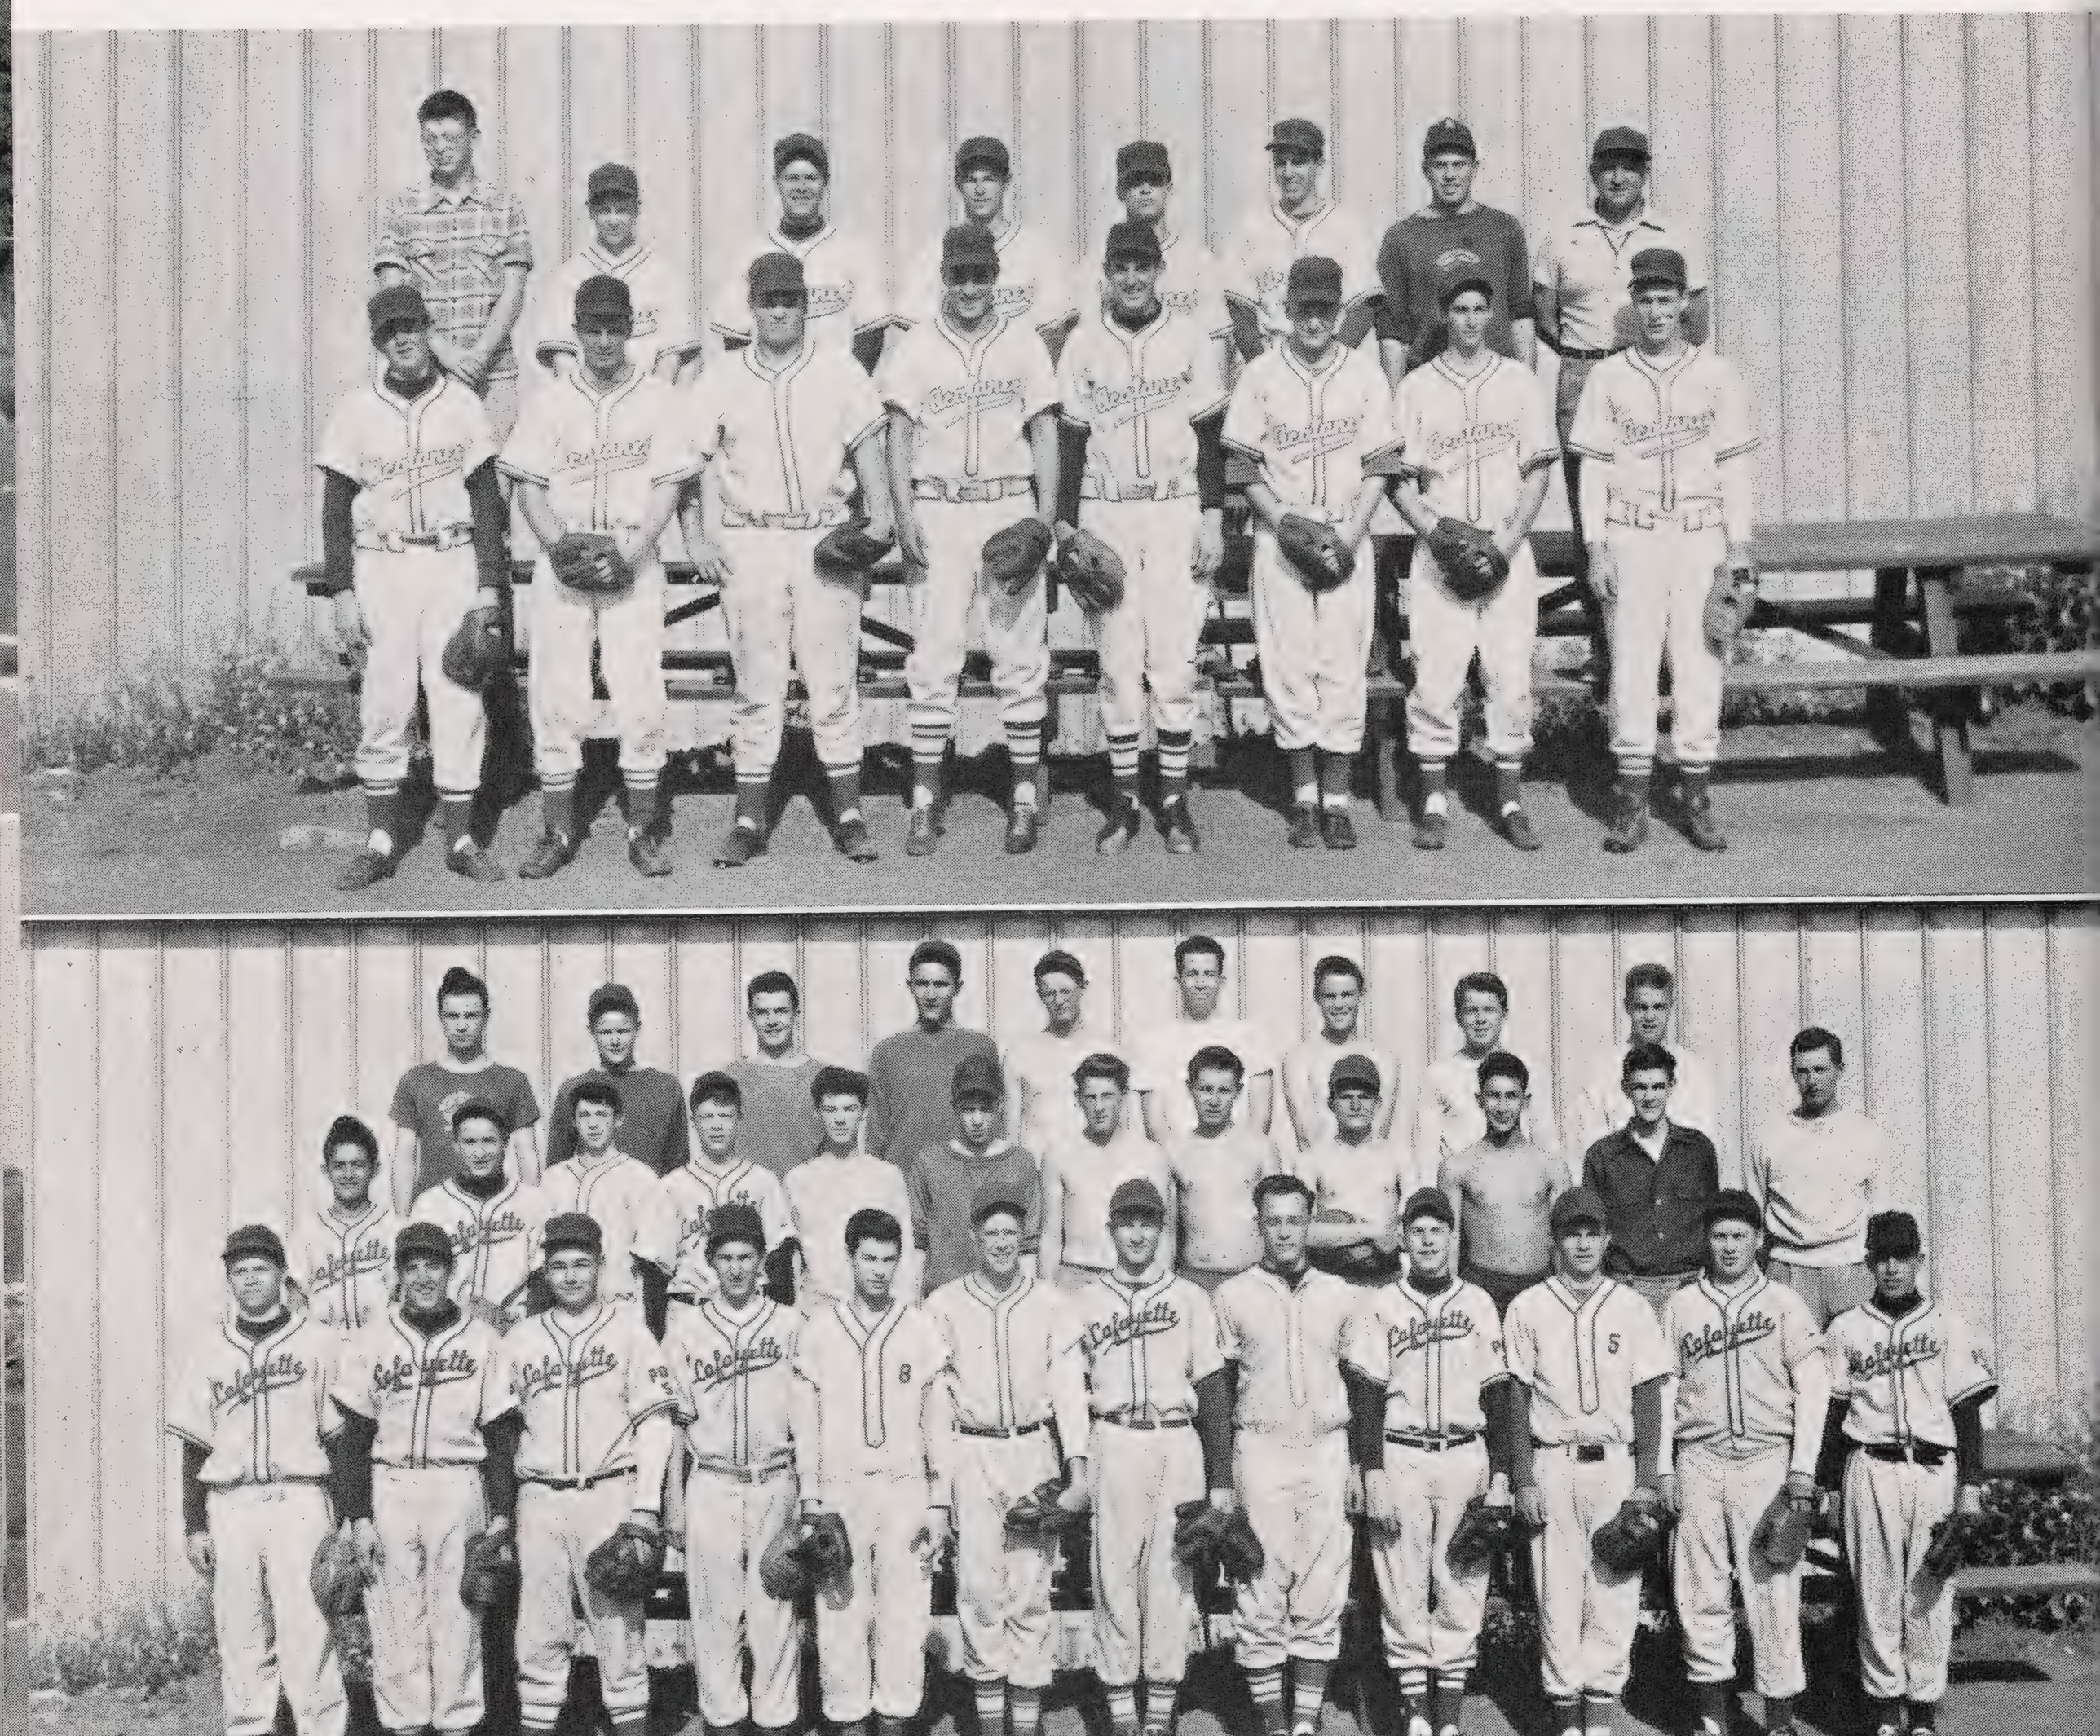

Richard Jones and John Conley were standout freshmen as good all-around players.

"A" SWIMMING

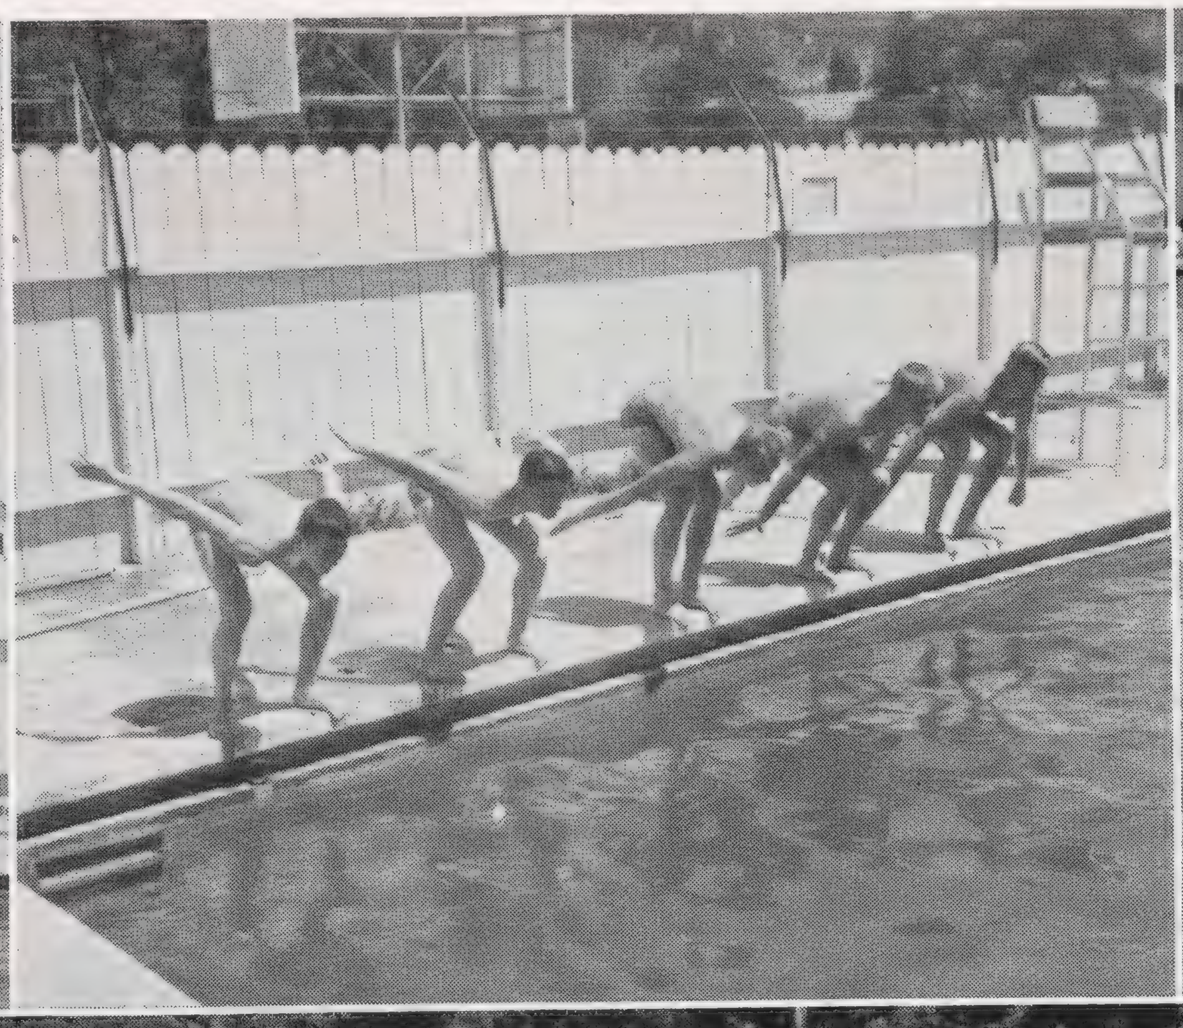

Our varsity squad, which has again proven superiority in county competition, has tallied the highest score in nine years for the championship. Dick Hubach broke the county record for the 100-yard freestyle with a time of 58.0. For the second year in a row Brooks DeLaneux showed outstanding ability in the 100-yard breaststroke—time 1:08.8, and in the 150-yard individual medley—time 1:46.5. Jim Small, who made a startling display in the 200-yard freestyle, was one of four Dons to place in North Coast competition. Also, the medley relay team, composed of Kim Wilkin, Brooks DeLaneux and Dick Hubach, and the four man relay team enabled Acalanes to take a miraculous second place in all-Northern California.

"B" SWIMMING

Spectacular showing in county competition brought the "B" team into first place with the nearest competitor forty points behind our boys. John Speigl made a fine showing this year by setting a record in the 50-yard freestyle with a time of 27.4 and also by being the only individual "B" to place in North Coast competition. Jackie Gray, a freshman, broke the county record for the 100-yard breaststroke; his time 1:22.7. Lawrence Harper topped the 75-yard individual medley in a time of 52.4. Both relay teams had fine showings in the North Coast meet and through their efforts the team was able to place fifth.

GOLF

The golf team continued its championship ways by winning the county golf meet. This year's title is the third in three straight years.

In dual competition, Coach Twining's linksmen won eight while only losing one. The one defeat was to the strong Richmond team.

The top six positions were held by Bob Diehl, Dave Cranston, Mike Elvidge, Ray Orr, Don Reid, and Harvey Lowthian.

Mr. Twining, who took over Mr. Dilling's job of golf coach, can look forward to good seasons to come as the team was composed mostly of freshmen and sophomores with only four men graduating.

TENNIS

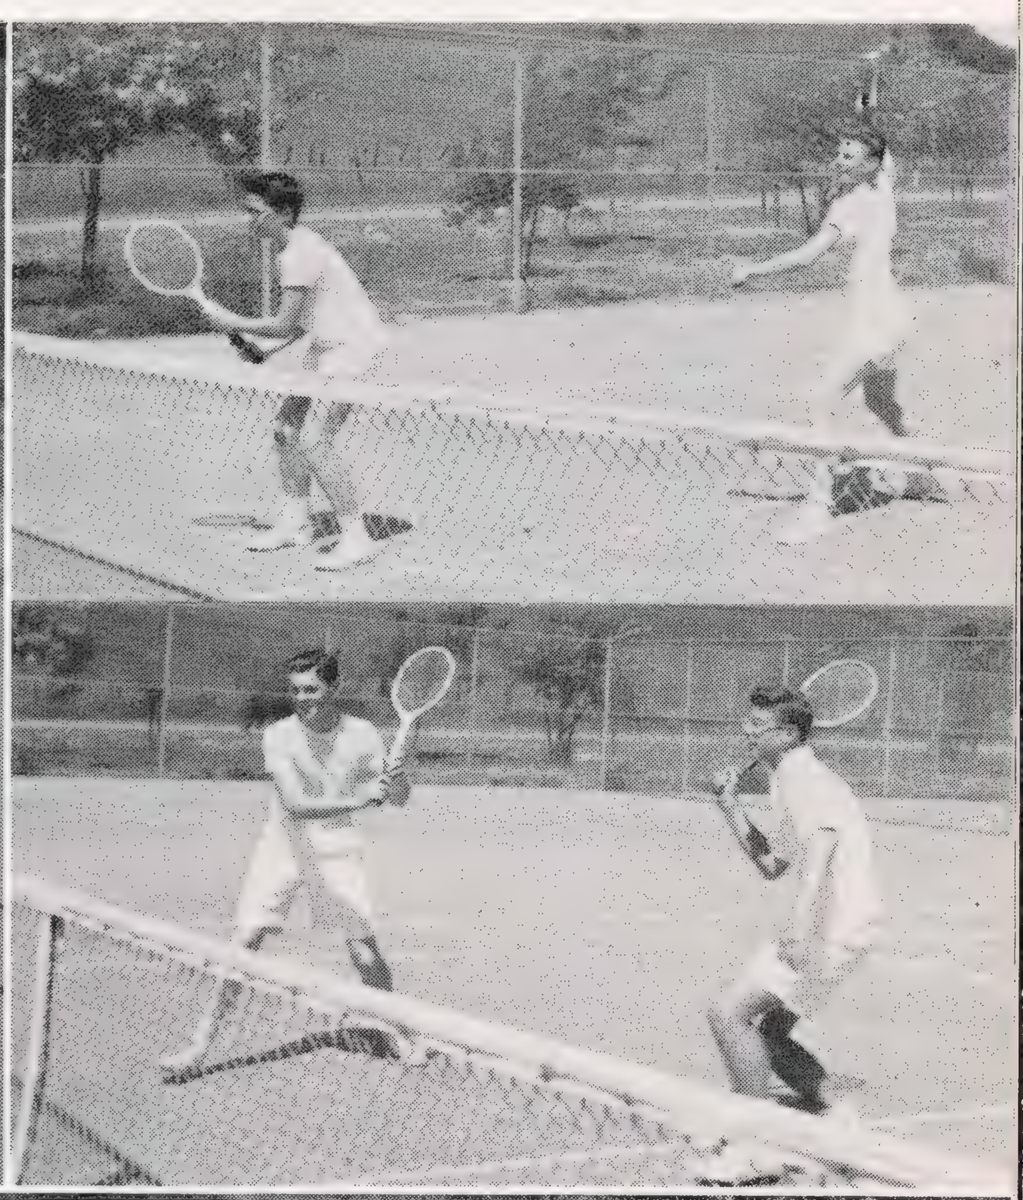

The Acalanes tennis team had a very successful season again this year, winning 11 matches and losing 4. In the County Tennis Tournament, Howard Flanders defeated Jim Gonzales of Mount Diablo to retain his Contra Costa County singles championship. Don Rathjen and Jerry Gray were runners-up in the county doubles championship. In league play, the team took first place.

Top men on the team in their order of rank were Howard Flanders, Jerry Gray, Don Rathjen, Phil Lowthian and Ron Dallas.

BLOCK "A"

The Block "A" is open to all boys earning a varsity block letter. This year's officers were: Dick Fey, president; Roger Linn, vice-president; and Richard Ting, secretary-treasurer. Any boy winning a varsity award is entitled to wear an eight-inch block and an arm stripe. An emblem on the block designates the sport in which the boy participates. County champions are entitled to wear a star on the shoulder.

CHIPS

"Chips" is the name given the boys who have won letters in the "B," or Junior Varsity classification. The winner of a "B" award has the right to wear a six-inch block or an eight-inch block if the team is a county champion.

G.A.A. CABINET

LEFT TO RIGHT: M. Miilu, J. Rugh, J. Bailey, K. Davis, S. Small, J. Johnson, A. Cianfichi, A. Champlin, C. Emerson.

G. A. A.

This year the Girls' Athletic Association carried on many activities. There were interclass tournaments held in all the major team and individual sports—which include volleyball, basketball, softball, badminton, tennis and swimming. Acalanes gave the second County Modern Dance Playday which was just as successful as the first one, held the year before. Although this was the only playday Acalanes sponsored this year, Girls' Athletic Association members attended many others at other schools.

In addition to this, six girls were able to go to a Sports Day at the University of California, where they were served and entertained by the Women's Athletic Association.

G.A.A. AWARD HOLDERS

FIRST ROW, left to right: S. Knipe, B. Hansen, J. Gordon, P. Zamloch, P. Everest, S. Brown, S. Fleager, M. Downs, A. Cianfichi, A. Champlin, R. Shirling, C. Ferrell. SECOND ROW: A. Vittaly, M. Maier, J. Taylor, M. Santos, E. Janssee, K. Jones, L. Galbraith, K. Goodwin, C. Brennan, A. Seulberger, D. Reese, J. Johnson, J. Irning, E. Soder, C. Emerson.

G.A.A. MANAGERS

FIRST ROW, left to right: B. Carrideo, S. Fleager, S. Pedder, D. Lavezzola, M. Maier, S. Luebkeman. SECOND ROW: C. Ferrell, C. Ward, B. Hansen, S. Knipe.

A new activity, introduced in the third quarter of the year, was an after-school program. One day a week after school, girls had the opportunity to participate in such sports as softball, badminton, swimming, and volleyball. This program was very successful and will no doubt be carried on next year.

The awards were presented again at the annual awards assembly in the fourth quarter. Awards, which range from a Girls' Athletic Association emblem to a special pin, are ranked as follows: the Girls' Athletic Association emblem, Class Numeral, Block "A," Officials' Bar, and then the special pin. These awards are now given on the basis of participation rather than on the old system which made awards on the basis of team selections and skill. This revision is a fairly new one which was incorporated in the new Girls' Athletic Association constitution adopted just last year.

SEARS
ROEBUCK AND CO.

Good Names to Go Buy! . . . .

Craftsman, J. C. Higgins, Coldspot, Allstate, Kenmore, Silvertone . . . many other famous Sears' brand names that carry Sears' unconditional guarantees! Famous lines of merchandise that have been designed, built, tested, and improved to satisfy exacting requirements . . . to meet your needs at prices that spell out real savings to you!

We at Sears are very proud of these famous Sears' brand names. Mr. Rosenwald, one of the original founders of Sears, its great organizer, and, above all a great merchandiser . . . set the keystone for Sears' policies that have continued through the years and, to a large extent, have been responsible for its success. Some of the best of the new merchandising ideas found expression in the famous Rosenwald Creed.

Its basic premise:

"Sell honest merchandise for less money and many people will buy."

Its cardinal conclusions:

(1) "Sell for less by buying for less. Buy for less through the instrumentality of mass buying and cash buying. BUT MAINTAIN QUALITY."

(2) "Sell for less by cutting the cost of sales. Reduce to the absolute, practical minimum the expense of moving goods from producer to consumer. BUT MAINTAIN QUALITY."

(3) "Make less profit on each individual item and increase your aggregate profit by selling more items. BUT MAINTAIN QUALITY."

Its code:

"Treat people fairly and honestly and generously, and their response will be fair and honest and generous."

May the spirit of accomplishment symbolized by this annual carry on into future years!

To all the students of the Acalanes High School, and especially the graduating class, from all the employees of Sears—Walnut Creek . . . BEST WISHES!

Very truly yours,

Gmaynahan
